Hello Sarah,

I hope you are well and safe. I have created an illegal dumping request for Sharon Ave / Bengal St for Eve as she did it as a homeless encampment. I explained to her that the location is considered an illegal dumping area and not a homeless encampment location since the encampment does not fall under our City jurisdiction. Here is the SR#: 1-1603263511 is there a way we can get this cleared by this week instead of the 27th?

Lastly, I know we spoke about RVs and the team understands if there is a septic leak WPD will be notified as well as CARE and citations will be given without towing because of the pandemic, however; will the septic tank be drained as well? What is the policy surrounding that?

Thanks for your help,
